Dear Springs Hill Special Utility District customers,

This letter serves as notice that Springs Hill Special Utility District ("SHSUD") has amended its residential, commercial, and industrial water rates. These new rates will go into effect on **June 1, 2025 and will be reflected in your July statement**. Such rate changes were adopted by the Board of Directors of SHSUD at its open meeting held on April 29, 2025, and are based upon the findings of the rate study conducted by its rate consultant.
